CHARGING AND REMISSIONS POLICY FOR SCHOOL ACTIVITIES (PRIMARY SCHOOLS)

1. General Principles

1.1 The School Governing Body like the Education Committee is committed to the general principle of free education. In determining the charging and remissions policies which are set out in this document the Governors have been mindful of the policy statement produced by the Nottingham Education Committee and have also taken account of the Committee's Entitlement Curriculum.

1.2 The Governing Body recognises the valuable contribution that a wide range of activities, including school visits, residential experiences and clubs, can make towards all aspects of pupils' education. The Governing Body would accordingly wish to promote and provide as far as possible such activities as part of a broad and balanced curriculum for the benefit of pupils of the school.

2. Charges

2.1 The Governing Body reserves the right to make a charge for the following activities which may from time to time be organised by the school.

2.2 **Residential Activities held during school hours:** charges may be made for the board and lodging element of those residential activities which take place during school hours. Parents will be notified in advance of any such activities which the school proposes to organise and the estimated cost. Parental consent will be obtained for their children's participation in any such activities for which a charge may be made.

Any charge for a particular activity will be calculated by reference to the actual cost of providing the board and lodging for each pupil; no other costs will be covered by the charge. Any remission arrangements for such activities will be at the discretion of the Governing Body EXCEPT in the circumstances described at paragraph 3.1 below.

2.3 **Activities held outside School hours:** the school will endeavour to provide a range of such activities from time to time. These will sometimes include day and residential experiences, and are known generally as 'optional extras'. Charges may be made for these activities EXCEPT where they are provided to fulfil any requirements specified in the syllabus of a prescribed public examination or are required in order to fulfil statutory duties relating to the National Curriculum or to religious education in which case they are not regarded as optional extras as such and charges cannot be made. (Board and lodging charges may still however be made for any residential activities subject to the remission arrangements described at paragraph 3.1 below).

Parents will be notified in advance of any 'optional extras' which the school proposes to organise and the estimated cost. Parental consent will be obtained if their children are to participate in any activities for which a charge may be made.

Any charge for a particular activity will be dependent upon the type of activity and its cost and the number of participants. This charge will not exceed the actual cost of providing the activity divided equally by the number of pupils willing to participate. The cost of other pupils participating in the visit will not be included in the charge. The charge may however include an

appropriate element for such things as:

- 1 the pupil's travel costs;
- 2 the pupil's board and lodging costs;
- 3 materials, books, instruments and other equipment;
- 4 non-teaching staff costs;
- 5 entrance fees to museums, castles, theatres etc;
- 6 insurance costs
- 7 the expenses only of participating teachers engaged on a separate contract for services to provide the 'optional extra'.

Any remission arrangements for such activities will be at the discretion of the Governing Body, EXCEPT in the circumstances described at paragraph 3.1 below.

2.4 **Materials and Ingredients:** a charge will only be made for any materials and ingredients relating to activities taking place during school hours where parents have indicated in advance a wish to own the finished product e.g. in home economics or DT. Alternatively parents may, in these circumstances, be asked to volunteer to provide the ingredients and materials prior to the activity taking place.

3. Remissions

3.1 Where the parents of a pupil are in receipt of Income Support or Family Tax Credit, the Governing Body will remit in full the cost of board and lodging for any residential activity the school organises for the pupil if the activity:

- 1 takes place within school hours, OR
- 2 forms part of the syllabus for a prescribed public examination or fulfils statutory duties relating to the National Curriculum or religious education, irrespective of whether the activity takes place within or outside school hours.

3.2 Any other remission arrangements for a particular activity or pupil will be entirely at the discretion of the School Governing Body. Any subsidy provided by the Governing Body will be met from the funds at its disposal.

4. Voluntary Contributions

Nothing in this policy statement precludes the School Governing Body from inviting parents to make voluntary contributions for the benefit of the school or in support of any school activity, whether during or outside school hours. Any contributions sought will be entirely voluntary and pupils will not be treated differently according to whether or not their parents make a contribution in response to any invitation. However a lack of contributions may necessitate the cancellation of a visit or activity.

5. Breakage: and Damage to School Property

The School Governing Body reserves the right to seek reparation from parents where their children cause breakages or damage to school property.

6. Review

This policy will be reviewed annually.

7. Filtering and Monitoring

Whilst considering our responsibility to safeguard and promote the welfare of children and provide them with a safe environment in which to learn, governing bodies should be doing all that

they reasonably can to limit children's exposure to the above risks from the school's or college's IT system. As part of this process, governing bodies should ensure their school or college has appropriate filters and monitoring systems in place and regularly review their effectiveness. We use Schools IT as our filtering system, and we use Smoothwall for our monitoring system. They should ensure that the leadership team and relevant staff have an awareness and understanding of the provisions in place and manage them effectively and know how to escalate concerns when identified. Governing bodies should consider the age range of their children, the number of children, how often they access the IT system and the proportionality of costs verses safeguarding risks
