

Teaching Type: **Little Angels**

Unit: **BAJO EL MAR**

Unit Objective: To learn 7 sea creatures in Spanish.

By the end of this unit we will be able to:

- Recognise and recall 7 sea creatures in Spanish.
- Recall numbers 1-5 more easily in Spanish.

It will help if we already know:

- Vocabulary from the **Salutations** unit and the **Number & Colours** unit.

Phonics & pronunciation we will see:

- **LL** sound in **la estrella de mar** & **el caballito de mar**
- **J** sound in **el cangrejo**
- **Trilled 'R'**. Becoming more familiar with the Spanish 'r' sound as seen in **la estrella de mar**, **el cangrejo** & **la morsa**. Beginning to notice that this sound is made from the tongue tapping the roof of the mouth. This is very different to the 'r' sound in English.

Even if we do not see these letters and sounds in the lessons often, we will hear these signature Spanish sounds many times as they appear in key words in this unit.

Activities we will complete:

A lot of tasks to help us learn to listen more carefully in Spanish. Repeating the words and short phrases each lesson to ensure we can remember all the new words and language presented to us. Revising what we already know each lesson before learning new words so that we can improve our memory skills.

Skills we will develop:

Learning to listen carefully and repeat what we hear with improving accuracy. Working on memory skills so we are able to remember the new words we have learnt in Spanish long term and with accurate and authentic pronunciation.

Grammar we will learn & revisit:

Nouns & articles/determiners. We will start to notice that in Spanish there are often more options for single words like determiners than in English. For example, as seen with the word for 'the' in Spanish. **El cangrejo** but **la morsa**. We will see that this happens a lot in Spanish and learn why in future units!

Vocabulary we will learn & revisit:

7 sea creatures and an opportunity to revise and recall numbers 1-5.
